Re: *Ex Parte* Presentation in EB Docket No. 04-296

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, LogicaCMG Global Telecoms submits this notice of an *ex parte* presentation in the above-captioned proceeding.

On Wednesday, October 5, 2005, DeWayne Nelon (President, Telecom Solutions, LogicaCMG Global Telecoms), Scott Nelson (Associate, Preston Gates Ellis & Rouvelas Meeds LLP), and myself met with Heather Dixon (Attorney Advisor, Office of the Chairman) to discuss the Commission's rulemaking on the Emergency Alert System.

LogicaCMG provided background information on cell broadcasting for emergency alerts, and how it might be deployed. LogicaCMG responded to technical questions from the staff. The attached documents were used as part of the discussion. They provide additional information on LogicaCMG and the technical basis of setting up a cell broadcasting system.

Respectfully submitted,

**LOGICACMG GLOBAL TELECOMS**
